Attn: Technical Committee

Subject: Samtec Products – Persistent Organic Pollutants (POPs) - Certificate of Compliance

In response to your recent inquiry concerning the potential of Samtec products containing POPs, please note the following information:

This certification letter is applicable to all Samtec products and related packaging/shipping materials. Samtec products are, to the best of our knowledge, free of intentionally added Persistent Organic Pollutants as adopted by the initial Stockholm Convention 22 May 2001 (current compliance in accordance with Convention revisions 15 May 2015 and EU Regulation 2019/1021 plus amendment EU 2020/784). Compliance specific to products and packaging as shipped from Samtec manufacturing facilities.

If you have any questions or concerns, please contact the Product Environmental Compliance Group via email address; [PEC@samtec.com](mailto:PEC@samtec.com). PEC will be pleased to address any open issues.

Thank you for your continued interest in Samtec products.

Respectfully,

A handwritten signature in black ink that reads "Mark Bobo".
